

## School Finder

# PCS Elementary School Zones

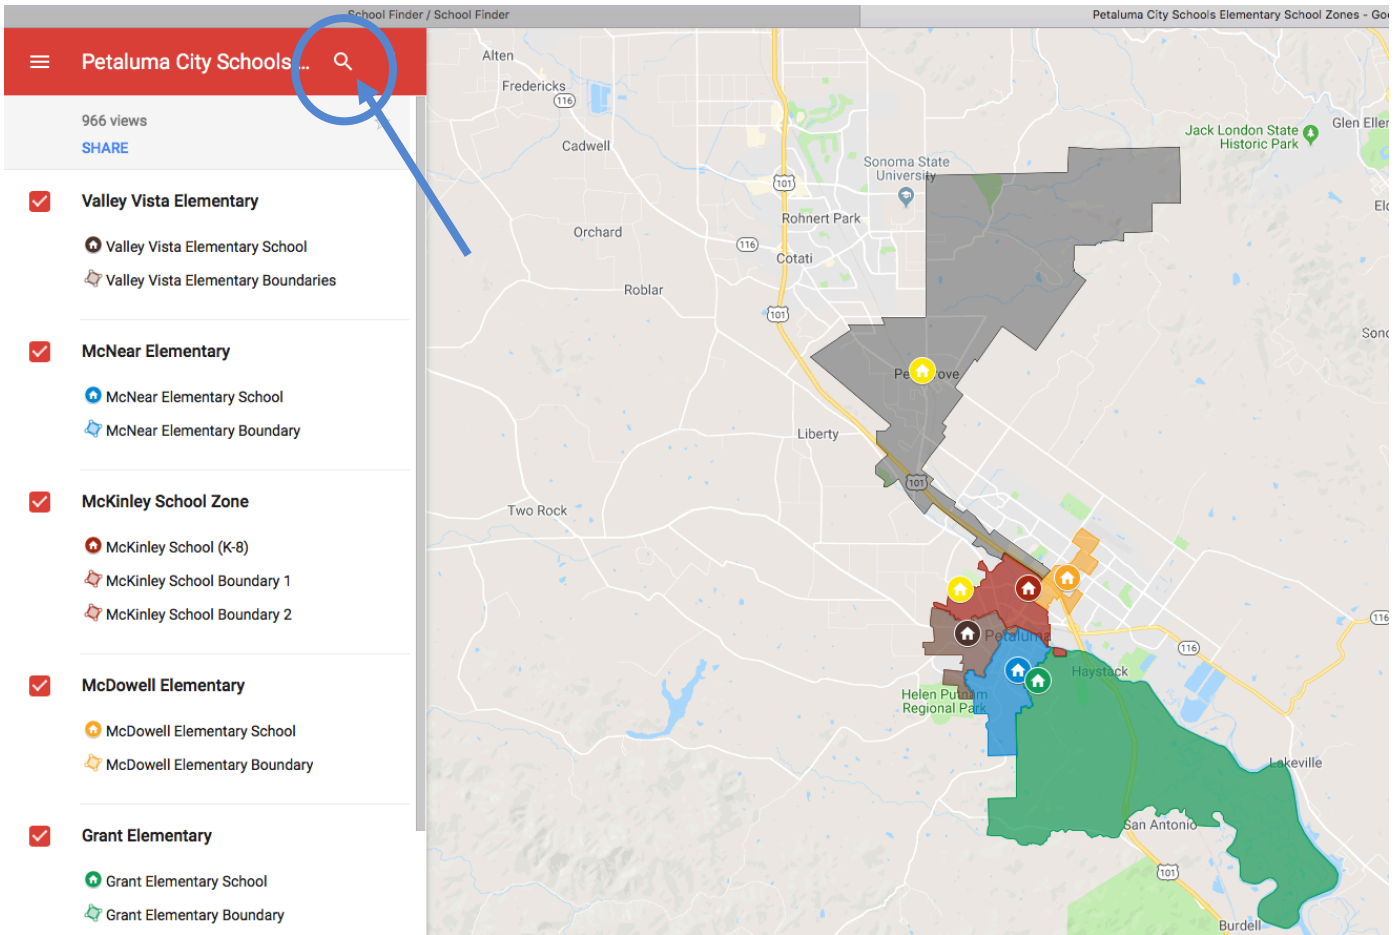

You may use this map to find out what your School of Residence is for **elementary school**. There are instruction below the map.

To lookup your School of Residence by address using the map above.

1. Click on the icon (🗨️) for "View larger map" in the top right corner of **this map**. (This is an external website and will open Google Maps in a new tab.)

2. Click on the magnifying glass icon and type your address into the search.

If your address is in the McDowell Elementary Boundary (orange on map) you will receive the highest geographic priority.
